CLARA A. HUSE, Treasurer

This certifies that I have examined the foregoing accounts and find them properly cast and vouched for.

CHARLES H. FORD, Auditor.

Town Auditor's Report

Orange, February 8, 1918.

I, the undersigned, Auditor of said Orange, have examined the accounts of the Treasurer, Selectmen, Highway Agents, Town Clerk, and Trustees of Trust Funds for the year ending January 31, 1918, and find them correctly cast and properly vouched.

CHARLES H. FORD, Auditor.

New Hampshire
Department of Public Instruction
Division of Statistics and Accounts

Concord, January 2, 1918.

To School Boards and Superintendents:

The attention of school officers is called to an amendment to the Public Statutes by the last General Court.

"The fiscal year of town and special school districts beginning February 16, 1917, shall end August 31, 1918, and thereafter the fiscal and the scholastic year shall end August 31, annually."

This change was approved by the Governor on April 4, 1917. Practically all school meetings had been held and in few instances would the appropriations be sufficient to carry on the schools for the extra six months. Your attention is called to this matter so that there may be sufficient appropriations made at the coming school meetings to support the schools until August, 1919.

School Meetings

It is advised that the report of the school board concerning conditions of schools of the district be made to the district at the annual school meeting. This may well include a report of the finances to date of meeting but it is to be noted that as the year does not close until August 31, the annual financial report cannot be made before that date.

This annual financial report should be presented at the school meeting of 1919.

HARRIET L. HUNTRESS,

Deputy State Superintendent
in Charge of Division.
